

Next Steps:**1 Print this page**

If you cannot print this page, note the information it contains so that you can send to your bank.

2 Perform the transfer at the bank.

Visit your bank or go to the website of your bank to make a transfer to the bank account of Google. **Make sure that you specify the correct reference number.**

3 Wait for the confirmation email which can take 3-10 days.

Please be aware that processing the payment take 3-10 days. We will send you a confirmation email to let you know that your balance is updated. If you do not see your balance updated after 10 days, please contact us.

Note:

- The method of transfer depends on the bank. Contact your bank for instructions.
- If the reference number is too long to complete the "Notes" or "Number" of the transfer form, please indicate in the "Name" field instead of your name.
- Do not send payment via a cash machine. We may not get it.

Reference number:

1 2 4 1 9 0 4 6 8 4 5 2

**When sending your payment, make sure that you include this number.
If you forget to enter the number, it is possible that your payment maybe
delayed or lost.**
